

YOUTH TRUMPET & TAPS CORPS

SERVING WITH MUSICAL GIFTS

WHO WE ARE

The Youth Trumpet & Taps Corps is a service organization for high school trumpet players.

Our mission is to train, support, and recognize high school trumpet players who use their musical gifts to honor military veterans.

WHAT WE DO

Community Events

Our volunteers accept invitations to play Taps, Amazing Grace, and patriotic music at community events honoring veterans.

Salute to Service

Our volunteers are available for solo trumpet performances of branch of service songs at recognition ceremonies, funeral services, and memorial events.

Taps for Veterans

Our volunteers sound Taps at military and public servant funerals in lieu of an audio recording when a professional military bugler is not available. Out of respect for service to our country, we feel that veterans' final honors are more worthy of a live rendition of our National Song of Remembrance.
